From the Commodore by Shane Wallace

Hello Cypremort Yacht Club! Summer is in full force as well as the Wildlife and Fishery Agency, (THAT’S ANOTHER STORY) but just a heads up; be sure to have your boat up to par with all safety gear and your documentation up to date as well. Check expiration dates on flares, etc.

The spring racing season is down to the last 2 races, and from what I’m hearing, it has been a great season. However, we need some competition for Barry. We need some one to beat him every now and then!!!

Our next work day will be in the fall after things cool off some.

A big shout of appreciation

May Social by Shane Wallace

This month’s social will be held on Saturday, May 14, 2011, at 6:30 P.M. Butch and Chris Leger will prepare crawfish etouffee with corn maque choux, salad, bread, and wine for the cost of \$10.00 per person. Please call the Hot Line at # 337-261-0136, or respond to this e-mail no later than May 12, 2011, with the number of persons who will be attend-

to the club membership for helping spread the news of our great club and helping to build up our membership.

Please feel free to email me with comments or suggestions, as well as any ideas that would help benefit the club and its membership.

Do plan to attend CYC’s

Junior Sunfish Program by Butch Leger

The Junior Sunfish Sailing Camp is scheduled for Friday, July 22, Saturday, July 23, and Sunday, July 24, 2011. Kindly mark your calendars now if you plan on having your junior participate. I will be looking for help to put on the camp, so anyone able to help with meals, coaching, etc., please let me know.

We are always looking for additional sunfish or sunfish parts to complement our club's sunfish fleet. House and Grounds by Dan Snow

We recently had dirt delivered and spread and will have additional dirt hauled when our budget permits.

Our plans for a work day will be postponed until the fall after things cool down. We will send out an e-mail to the membership when plans have been finalized.

Thanks to all for your continuing cooperation with the drinks in the refrigerator.

Also, please remember that the supplies in the upstairs pantry are for club functions only. If you make use of the club facilities yourself, or host guests at

the club, you are responsible for providing your own supplies.

Our air conditioners were repaired recently. We have two air conditioning units which we use alternately. Please do not run both units at the same time as we are subject to a demand charge from the utility company if we do so. When you are the last to leave the clubhouse, please turn the thermostat on the air conditioner up to 75-80 degrees, so the unit will not be running needlessly.

If you notice any house and ground or maintenance issues that need to be addressed, please contact me at daniel.snow@lusfiber.net.

PLEASE DO NOT EXCEED
THE 10 MPH SPEED LIMIT.
