As summer slowly fades, activity at the yacht club is picking up! The Daily Iberian Cup fall series kicks off this month with the first race on September 26. As always we invite everyone to participate by racing your own boat or crewing with another member. It's lots of fun!

On September 19, CYC will be hosting the CYC Fall 2015 Invitational Regatta. This event will be one of our biggest race events and we expect to have racers from other clubs in the area including Lake Arthur, Lake Charles and Baton Rouge. More details in the "Racing News" section below. This would be a great event to attend and support our club. You might even want to make a day of it and anchor out to the watch the races.

Our next Sunfish Regatta will be held on October 3rd, in conjunction with our Annual Luau. Get signed up early and come race one the club's sunfish. They are easy to sail and a great way to learn.

September Social by Jeremy Cooper

The September social will be held Saturday, September 12, 2015, at 6:00 P.M. Al and Lisa Lilley will be preparing a crawfish etouffée with salad, French bread

The semi-annual General Membership meeting is coming up on November 14th. Anyone interested in participating on the CYC Board, please contact me. Four board positions will be up for election at the General Membership meeting.

I would like to remind everyone with boats at the yacht club that you should have a hurricane plan. It's been real quiet this year but we are not out of the woods just yet. Any boats in the dry slips would need to be removed if we are in the cone of predicted landfall for a named storm. Boats in wet slips also need to be prepared by either finding a hurricane hole or by securing your boat appropriately in place.

Now that summer vacations are over and it's back to our normal work routine, weekend outings to the point can work prominently in your plans. I encourage you all to get out and enjoy your club. Bring friends and introduce them to our facilities. We continue to strive to increase

our membership, so if you know of anyone that would be interested in joining, please bring them to a race or social as your guest so they can see for themselves all CYC has to offer. All members are welcome to use the facilities for parties and other events provided you comply with our club policy regarding private functions, a copy of which is posted on our web site.

Keep up to date with activities at the club by following us on www.facebook.com/CypremortYachtClub.

I would like to wish everyone a happy and safe Labor Day holiday and hope to see you at the point!

and wine. Cost will be \$10.00 per person.

If you plan to attend, please assist our cooks by responding to this email so they will

have an accurate head count enabling them to be adequately prepared. Hope to see you there!

with club sunfish or simply watch the event from our clubhouse. The event will be open to outside clubs and we hope to have a good showing from our own club.

Junior Sunfish Program by Butch Nolan

The 2015 Junior Sunfish Program was the best ever. I would like to thank the following: Butch Leger for again spearheading the event since its inception. He did food planning, registration, and even served as a chase boat for 3 days. Our coaches on the water for all 3 days, Bill Whitehead, Donald Kent, Rory Nolan and Roberta Bienvenu. Thanks again for all your help. Serving as race committee was Joe Gary aboard his Hunter.

Many thanks to Al Rees for again helping all 3 days as chase boat. Thanks to Jason Masey and Bill Fontenot serving as chase boats. Thanks also to Richard and Sandra Legnon for providing snowballs on Sunday and to the ladies who helped to prepare and serve food to the kids. Thanks to all the parents for making it possible and the biggest thanks to all the juniors who attended the camp.

I hope to see you all next year.
