- **Christmas Brunch on Saturday, December 14, 2019, 11:00 am.**

From the Commodore by Butch Leger

CYC's Semi-annual General Membership Meeting is scheduled to begin at 5:30 P.M. on Saturday, November 9, 2019. Please attend as important actions will occur at this meeting, most notably the election of four board members for two year terms. The board's nominating committee will offer four nominees for election to the board. The general membership will have the opportunity to nominate additional candidates from the floor. A vote will follow that will select the four replacement board members who will serve a two year term.

Also, the various committee chairmen will present their respective committee reports detailing the state of current affairs in each area of club operations and/or activities, i.e., finance, membership, enter-

tainment, race, and, house and grounds, and will be available to answer any questions the membership may have pertaining to their respective committees.

Then the meeting will address such other business as may come before the membership.

Our monthly social and meal will follow the meeting.

The new board at it's meeting in December will elect flag officers, including commodore, for the coming year. One of the duties of the new commodore will be to appoint committee chairmen. Please consider volunteering to either chair one of these committees or to assist the chairman in carrying out the functions of that committee. Remember, this is your club

and if we are going to have socials and activities, then we are going to need your help as members to get involved.

Your attendance at this meeting is highly encouraged. Hope that you can make a day of it and enjoy the race, the fellowship and a great meal!

November Social by Johnny Beyt & Lawrence

This month's social, will be held on Saturday, November 9, 2019, following the Semi-annual General Membership meeting. Menu will include pork roast, sides and salad. BYOB. Cost for the meal will be \$10.00 per person. We will be collecting at the door.

Please RSVP by responding to the Evite which will be sent out this week.

Come out and become informed about your club and its activities, while enjoying some fellowship over a great meal.

Hope to see you Saturday!

Membership News by Butch Nolan

The current membership in good standing is 139.

Please note that the broadcast emails sent to you contain addresses of all active and some past members. You can use these email addresses to contact fellow members.

If anyone has a change in their phone number, address and/or email address, please send them to me to update our re-

ords so you can continue to receive newsletters and club notices.

If for some reason you did not receive a newsletter, you can always go to the club's website:

www.cypremort.com to access the latest newsletter.

You can address any questions you may have about

your membership, membership card, access key, etc., by contacting me at the following e-mail address:

breakwater@bellsouth.net or calling me at #337-278-4352.

Junior Sunfish Program by Bill Whitehead

Over the next several months, we will be working to repair and/or replace some damaged parts on some of our sunfish so we can get as many of them as possible in good order for some spring and summer sailing next year. If anyone

knows of any used sunfish or sunfish parts that can either be donated to the club or purchased at a reasonable price, please contact me by responding to this email. We are always looking for good used parts to keep our fleet competitive.

House and Grounds

We have been able to make some progress with regard to the repair of finger piers and wet slips. This work will probably be on hold until this coming spring. This will give us additional time to evaluate and prioritize the remainder of the project and hopefully we will be able to bring the project to its completion by the end of next year.

Thanks to all for your continuing cooperation with the drinks in the refrigerator. Please do not leave food items in the refrigerator. Our refrigerator is only for temporary storing of food and drink items. When you are finished cooking, etc., please take you items with you. When finished cooking on the stove or outdoor grill, please remember to

turn off the gas.

Also, someone used the indoor griddle in early October to cook what appeared to be two hamburger patties or small steaks and thereafter failed to clean and treat the griddle surface to keep it from rusting. As a result, when we went to use it for the last social on October 12, we found the griddle top to be dirty, rusted and pitted. This indoor griddle requires special cleaning and seasoning to keep it in proper condition. **Instructions for the proper cleaning and seasoning of the griddle has been posted right above the griddle.** We encourage members to use our facilities, but you are responsible to clean up properly after. If you are not willing to take

the time to properly clean and treat the surface of the griddle in accordance with the instructions posted, then we respectfully request that you use the outdoor grill instead.

If you notice any house and ground or maintenance issues that need to be addressed, please contact any board member

PLEASE MIND THE 10 MPH SPEED LIMIT WHILE DRIVING IN THE MARINA.
