From the Commodore by John Roddy

Hello Cypremort Yacht Club!

Happy Father's Day!!

Summer has finally arrived and is in full swing. If you haven't done so yet, its time to get your boat up to par with all safety gear and your documentation up to date. Check your life jackets for wear and flares for expiration, etc.

CYC held its Semi-Annual General Membership Meeting on Saturday, May 11, 2013, at which committee reports were presented to the membership present. Plans for future work at the club was discussed as well. Following the meeting, a "grill your own meat" cookout was enjoyed by all who attended.

The Spring Series of races came to an end with the make up race on May 25, 2013. Plans are already

under way for the Fall Series of races which will start with the Fall Series #1 race scheduled for September 14, 2013. Mark your calendars now for the 2nd and 4th Saturdays of September, October and beginning of November, so you won't miss the exciting fun.

Butch Nolan will be holding another Sunfish Sunsplash race on Saturday, June 15, 2013. Come out and see how much fun it is to learn to sail and race sunfish on Vermilion Bay.

Our next work day will be in the fall after things cool off some. We are continuing to assess solutions to the repair of the boat ramp.

Thanks to the membership for spreading the word about our great club and helping to build up

our membership.

Please, I encourage you all to get out and enjoy your club. Bring as many friends as you want. Remember, you are more than welcome to use the facility for parties and the such provided you comply with our club policy regarding private functions, a copy of which is posted on our web site.

Please feel free to email me with comments or suggestions, as well as any ideas that would help benefit the club and its membership.

We are always looking to improve the club, so if you have any ideas about improvements to the facilities or you have an event that you would like to have at your club please feel free to **c o n t a c t m e a t jroddy@cypremort.com.**

Racing News by Mark Milam

The club completed its spring series of races in May. Results should be posted on our website shortly. Other than sunfish races and junior races, there will be no organized racing during the summer months until we start up the fall series of races in September. The first race in the

fall series will be held on September 14, 2013.

I would like to encourage everyone to participate in the fall racing series. There is no better way to learn how to sail than to race. Besides, our races are very low key events which makes it

easy for beginners.

Hope everyone can come out and enjoy a great time on the water and at the same time, do some racing. It's a good excuse to go sailing.

Junior Sunfish Program by Butch Leger

The Junior Sunfish Sailing Camp is scheduled for Friday, July 19, Saturday, July 20, and Sunday, July 21, 2013. The 3 day camp will be a day camp geared for juniors 8 to 14 years old. If you are interested in having your child, children, grandchildren, etc., participate, please let me know by responding to this e-mail or

call me at #337-278-9554. We have a limited number of slots available which will be allotted on a first come first serve basis. So, if you are interested in having your junior participate, do not delay in contacting me. Again this year, we really could use some assistance with cooking, chase boat and on the water coaching.

If you can assist in any manner on any of the above dates, please let me know. Any assistance you can give will be greatly appreciated.

Thanks to all for your continuing cooperation with the drinks in the refrigerator.

Also, please remember that the supplies in the upstairs pantry are for club functions only. If you make use of the club facilities yourself, or host guests at the club, you are responsible

for providing your own supplies.
