- **Round the Bay race, Saturday, June 23, 2018. Skipper's meeting at 10:00 AM.**
- **Junior Sunfish Sail Camp, July 13, 14 & 15, 2018.**

## From the Commodore by Butch Leger

Summer has finally arrived and is in full swing; Schools are out and it's vacation time; so what are you all waiting for? If it's an invitation, then I am inviting you all to come down to the club and enjoy your facilities. There are so many things to do on the water at the Point, from sailing, crabbing, fishing, wakeboarding, etc. All it takes is you!!!

As you can see at left, we have several activities slated for this month, starting with a Round the Bay race scheduled for June 2, 2018. The skipper's meeting will be held at 10:00 AM. These are typically longer races and offer a different challenge to racers. On both of these dates, Bill Whitehead will have CYC Sunfish sailboats available for member use. Please contact Bill before the Saturday race dates if you would like to reserve a

Sunfish. Hope you will be able to come out and participate.

Our May social was well attended. Sam Hanagriff boiled the crawfish again this year and did a superb job. Michael Lamperez took the lead on organizing the crawfish boil and all the fixings that went with it. Special thanks to them for a job well done.

Several people asked for the recipe for the cake served at the boil.

Dump Cake Recipe  
 One can of any kind of pie filling (blueberry peach, apple, etc.)  
 1/2 cup of water  
 1 box yellow cake mix  
 1 stick butter  
 Dump pie filling into baking dish. Sprinkle (dump) cake mix on top of pie filling. Slice stick of butter and put pats on top of cake mix. Bake at 350 de-

grees for 45 minutes or until golden brown, Serve plain or with ice cream.

The Spring Series of races were completed and you can read more about it in Bill's racing article which follows on the next page. We had good participation in the Spring Series and look forward to an even better Fall Series which will start with the Fall Series #1 race scheduled for Saturday, Augusts 25, 2018. Mark your calendars now for the 2nd and 4th Saturdays of September, October and beginning of November, so you won't miss the exciting fun.

Lastly, but by no means least, I would like to extend best wishes for a Happy Father's Day to all of our fathers and grandfathers. Hope you all have a great day!!

## June Social by Johnny Beyt & Lawrence Svendson

This month's social will be held on Saturday, June 9, 2018, starting at 6:00 P.M. Guest chef Andy Cart from Lafayette, with the assistance of another accomplished chef, Mike Kimball from New Iberia, will prepare either a Redfish or Cat-

fish Courtbouillon, to be served at 7:00 PM. Salad and dessert will be served as well. Cost for the dinner will be \$10.00 per person. Lawrence Svendson or Johnny Beyt will be collecting money for the dinner that evening. An EVITE will

be sent out to the membership with RSVP information. Please be sure to RSVP with a YES or NO on attendance so we can plan correctly on servings. FYI—Sunset on June 9th occurs at 8:09 PM. Hope to see you there!

## Membership News by Butch Nolan

The current membership in good standing is 128.

Please note that the broadcast emails sent to you contain email addresses of all active and some past members. You can use these email addresses to contact fellow members.

If anyone has a change in their phone number, address and/or

email address, please send them to me to update our records so you can continue to receive newsletters and club notices.

If for some reason you did not receive a newsletter, you can always go to the club's website: [ww.cypremort.com](http://ww.cypremort.com) to access the latest newslet-

ter. You can address any questions you may have about your membership, membership card, access key, etc., by contacting me at the following e-mail address:

[breakwater@bellsouth.net](mailto:breakwater@bellsouth.net) or calling me at #337-278-4352.

### BOATS FOR SALE:

## Racing News by Bill Whitehead

Race #5 of the Rosemary Lucas Cup series was held on Saturday, May 12, with fresh wind from the SE at 10-12 mph and 5 boats on the line for the 11 am start. This race was a tight finish for the fleet, the elapsed time gap between first to finish and the last to finish was just 20 minutes. John & Julie Conner crossed first, followed by Mac & Brent Boulet 1 minute 40 seconds later. Edward Duhe finished third, just 3

minutes 49 seconds after the Conners. When finish times were adjusted for the PHRF handicap, Mac & Brent Boulet were declared the winners, followed by the Conners and then Edward Duhe. Joe Gary and Al Lilley finished 4th & 5th respectively.

For the series, 3 races were sailed, one race was cancelled due to weather and one race was abandoned

when the wind died. Congratulations to Mac & Brent Boulet, who won the series in their Pearson 365, followed by John & Julie Conner, Edward Duhe, Joe Gary and Al Lilley.

I am grateful to all of the race participants for their competitive spirit and easy-going nature, which made for a pleasant Race Committee assignment!!

## Sunfish Program by Bill Whitehead

The Junior Sunfish Sailing Camp is scheduled for Friday, July 13, Saturday, July 14, and Sunday, July 15, 2018. We have received reservations and inquiries for 18 juniors, so there are still a few spots left. More than half of the juniors signed up have attended the camp previously. We should have 12 to 14 Sunfish sailboats available for the camp. There is no charge for children or grandchildren of

CYC members to attend. Non-member children are also welcome to attend (\$60.00 fee). We have a number of volunteers signed up but I still need to confirm who can provide chase boats and make arrangements for the other roles: on-water instruction, chase boat crew, launching and retrieving Sunfish at ramp, preparing and serving lunches. If you can volunteer to help, kindly send me an email.

Finally, I'd like to get 3 or 4 volunteers together on Saturday morning, July 7, to help me prepare the Sunfish sailboats for the class. This involves moving hulls off the racks and trailers, washing and draining the hulls and inspecting the equipment. Any assistance you can give will be greatly appreciated.

## House and Grounds by Abby Lester

A work day approaches! Please turn out on the morning of June 9. Projects to be announced but, a paint brush and/or roller will be handy.

It has been decided to postpone flooring repairs until the end of the summer season.

Numerous loads of concrete have been delivered and are being placed in the water along our west bulkhead. This is concrete that was donated and delivered to the club free of charge to us. We are having to pay only to place it in the water, which charges are nominal. We are still waiting to hear about some additional

riprap which may have to be brought in by barge.

Repairs to the wet slips have been set in motion. We are waiting for the delivery of pilings now. Some juggling of boats in wet slips can be expected. We hope to partner with the marina during this project.

Thanks to all for your continuing cooperation with the drinks in the refrigerator.

Also, please remember that the supplies in the upstairs pantry are for club functions only. If you make use of the club facilities yourself, or host

guests at the club, you are responsible for providing your own supplies and for clean up.

Also, the refrigerator is not intended for storage of food items, except for a very short period while preparing a meal. Please take your food items with you when you leave.

If you notice any house and ground or maintenance issues that need to be addressed, please contact me at:

[wazzarunner@icloud.com](mailto:wazzarunner@icloud.com).

**PLEASE REMEMBER TO MIND THE 10 MPH SPEED LIMIT.**
