I hope everyone had an enjoyable Labor Day weekend!

We are quickly approaching the height of hurricane season, and though we have been fortunate to be spared these past few years, it always pays to be prepared. Review your hurricane plans and inventory your supplies. If you have a boat in the water at the yacht club, we encourage you to have a plan to secure it or move it to a protected location. If you have a boat in a dry slip, you must move it from the club if the club is in the 72 hour land-fall prediction cone.

Our fall racing series will kick off with the Daily Iberian Cup race # 1 to be held on Saturday, September 13, 2014. Please come out and participate in the races.

We will also be having a Sunfish Regatta on October 4, 2014, in conjunction with our Annual Luau. Details will follow in next months newsletter.

The semi annual membership meeting will be held

prior to the monthly social on November 8, 2014. Elections for board members are part of this meeting. If anyone would like to run, please let me know as we do have seats on the board opening up for the coming year.

Now that summer vacations are over and it's back to our normal work routine, weekend outings to the point can be work prominently in your plans. I encourage you all to get out and enjoy your club. Bring friends and introduce them to our facilities. We continue to strive to increase our membership, so if you know of anyone that would be interested in joining, please bring them to a race or social as your guest so they can see for themselves all CYC has to offer. All members are welcome to use the facilities for parties and other events provided you comply with our club policy regarding private functions, a copy of which is posted on our web site.

Keep up to date with activities at the club by following us on www.facebook.com/

CypremortYachtClub.

Be sure to mark your calendars for the upcoming activities at CYC. Come out and enjoy the fun!

This year on October 4, 2014, CYC will be hosting it's Sunfish Regatta once again. This event will coincide with our club luau. Come on out to participate with club sunfish or simply watch the event from our clubhouse.

The event will be open to outside clubs and we hope to have a good showing from our own club. Anyone interested in sailing, please contact me at #337-278-4352 to secure a sunfish for the event. The event is open to juniors as well as adults.

Junior Sunfish Program by Butch Nolan

Thanks to all for making this years Junior Sunfish sailing program another great success! Despite the weather, we had a terrific turnout with 16 juniors participating over the 3 days. Special thanks to Michael Lamperez, Bill Whitehead, Leon Saucier, Donald Kent, Emily and Rory Nolan for their assistance with the program. Thanks to all the parents for making it possible and I look forward to

future events with the juniors.

House and Grounds by Dan Snow

We are planning to have a work day as soon as the weather cools down to address some minor maintenance issues and general sprucing up of the clubhouse and facilities. When that date is set, a notice will be sent out to the membership asking for your assistance and hope that you will be able to participate.

Thanks to the membership for your cooperation with the drinks in the refrigerator.

If you notice any house and ground or maintenance issues that need to be addressed, please contact me at daniel.snow@lusfiber.net
