Membership,

Our upcoming 2021 schedule for the Fall club social events is:

- September 11, Bounty of the Bay, Host: Jeff Jolet
- October 9, Host TBD
- November 13, (General Membership Meeting), Host TBD
- December 11, Christmas Party, Host TBD

Jeff Jolet will be hosting the September social. Last year’s Bounty of the Bay dinner was spec-tacular highlighted with fresh speckled trout, crabs and shrimp. Any sportsmen willing to contribute some of their catch for the menu please contact Jeff or myself. Please come out to meet and welcome our new members and enjoy the Bounty of the Bay. Bring your own beverages.

We’d like to thank Mike Lamperez for hosting the final Spring social. The crawfish boil was a huge success again.

We are looking for volunteers to host the 3 final events of the fall season. You do not need to be a board member to host a social. Anyone that would like to Host, Co-Host or assist in the upcoming socials please contact me for more details.

Happy Sails and Tight Lines,

Alan Corne

“Windy” 2021 Sunfish Sailing Camp

Cypremort YC held a successful Sunfish Sailing Camp July 9 – July 11. The participants enjoyed a series of pleasant and windy days averaging 15 mph – unusual for July and especially with all the rain we’ve had. Because of the good weather the participants all had plenty of time on the water to practice steering, tacking and jibing. Their newly acquired skills were certainly tested on Sunday as there were gusts over 18 mph. Running downwind on a Sunfish in that much wind is really exciting!

We were grateful for our volunteers, including: Dave Patterson and Brent Boulet who provided the “Chase Boats” and endured some seriously choppy conditions. Dave also took the great photos appearing here with more pictures heading for the CYC website. Roberta Bienvenu, Catherine Whitehead and John Griffin provided on-water instruction. Kerrie Chatelain-Milbert produced a cool video of the sailing and provided the ice to keep everything else cool.

The Sunfish Sailing Camp is “hard coded” in the Cypremort YC’s calendar on the second Friday, Saturday & Sunday in July. Keep this event in mind for next summer!

We follow a "pattern" to set the calendar for most CYC activities. The pattern for sailboat races is the second and fourth Saturday, excluding the winter months, July and August. Socials are typically scheduled on the second Saturday of the month. The Junior Sunfish sailing camp has been scheduled for the second weekend in July. We will again commit to make Sunfish sailboats available for member use on Race Saturdays subject to certain conditions (warmer weather, maximum windspeed, member experience, reservation). Please contact Bill Whitehead for more information on Sunfish sailing opportunities.
