Sign Up for Sunfish Sailing Camp!

Summer is here! Kids should be sailing and we're going to be ready for them at the 2021 CYC Junior Sunfish Sailing Camp, **Friday, July 9 through Sunday, July 11.**

If you have a son, daughter or grandchild age 9 or older they are welcome to sign up and join us. The camp is free for CYC member's children and grandchildren and we normally have room for non-member friends for a nominal charge of \$60 each. Camp starts at 9:00am and runs until approximately 3:30pm on Friday and Saturday. Sunday we conclude about 2:00pm following lunch and an awards ceremony.

Sailing is weather and wind dependent, but we make every effort to have significant sailing time on all three days. Hurricanes have affected the Sailing Camp recently, so we are not putting an upper limit on the age of participants. I expect to have 10-11 Sunfish sailboats available, and we typically get about 20 participants in the class.

Children that have attended in previous

years are encouraged to sign up again to refresh and advance their skills. Depending on the responses, we may also be able to accommodate some parents who would like to participate on the water and learn to sail a Sunfish sailboat.

Please contact Bill Whitehead ASAP for details on the camp and to reserve a spot. I'll send you a package with a list of what to bring, and information about sailing to review before the camp.

We also always need a number of volunteers in several roles to pull this camp off: on-water sailing coaches, powerboat operators ("chase boats") to patrol and tow, assistance launching and retrieving boats at the loading ramp and lunch assistants. If you're available that weekend, or any part of it, we could use your help.

Race Committee Notes

The Saturday morning large sailboat races are continuing in June with the Round-the-Bay race series. The Daily Iberian race series starts August 14. See the calendar nearby. Skipper's Meetings are when the course is set, which involves sailing around a series of channel markers in Vermillion Bay. The boats racing are each different: hull length, sail area, etc., so a handi-capping system is used to level the playing field.

Registration: 9:45am, Skipper's Meeting: 10:00am, Start: 11am

Cheryl Boulet and granddaughter Pryce Boulet (age 4) crossing the finish line for a Rosemary Lucas race series win. Pryce is at the helm of the Boulet's Pearson 365.

May 15 Crawfish Boil at CYC. Excellent crawfish and a professional team. Thanks to Michael Lamperez for making the arrangements and preparing the sides.

Pattern: Series Races (generally) on 2nd & 4th Saturday, Social 2nd Saturday, Board Meetings 3rd Monday

We follow a "pattern" to set the calendar for most CYC activities. The pattern for sailboat races is the second and fourth Saturday, excluding the winter months, July and August. Socials are typically scheduled on the second Saturday of the month. The Junior Sunfish sailing camp has been scheduled for the second weekend in July. We will again commit to make Sunfish sailboats available for member use on Race Saturdays subject to certain conditions (warmer weather, maximum windspeed, member experience, reservation). Please contact Bill Whitehead for more information on Sunfish sailing opportunities.
